

DEAR JACK

F♥UNDATION

A POWERFUL VOICE IN THE
FIGHT AGAINST
YOUNG ADULT CANCER

Andrew McMahon (of Jack's Mannequin and Something Corporate) founded the **Dear Jack Foundation (DJF)** in July of 2006 after his own battle with leukemia when he was just 23 years old. Andrew has since won his battle due to a successful stem cell transplant. **DJF** aims to find treatments for patients between the ages of 15-35 years old and dedicates itself to expanding quality of life initiatives, such as counseling, for these patients and their families.
